What is a careers

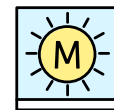

interview?

This is Eric, the school careers

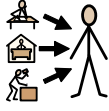

advisor:

You might see Eric on Monday's

for your careers interview.

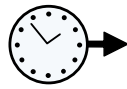

A careers interview is a session

where Eric will get to know you

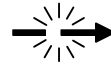

so he can help think about your

plans for the future.

What will happen at

my careers interview?

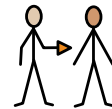

During your careers interview

???

Eric will ask you some questions

to help him get to know you.

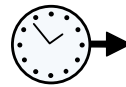

Eric will ask you what you're

interested in, and ask if you

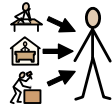

have any ideas of things you

would like to do in the future.

What can I think about before

my careers interview?

To help you prepare for your

interview you could think about:

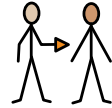

- Your favourite and least favourite

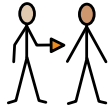

lessons in school

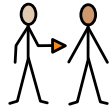

- What area you live in

● Who lives at home with you

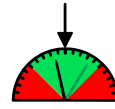

● What you are interested in

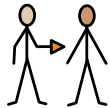

● If you have any hobbies

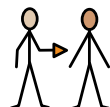

● How you travel to school

● What your short term goal's are

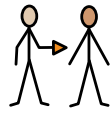

when you leave school

● What job you would like to do

in the future

- Have you had any work experience

in the past?

- What your skills and

good qualities are.

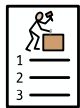

What will happen after my careers interview?

i

Eric will use the information you

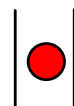

have given him to write an

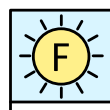

'action plan' for you. He will send

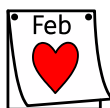

this home for you to read.

Eric will be in school between

10am - 12 noon on Friday 7th

February at the careers event.

Eric can also give you support

around interview skills or can

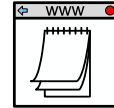

help you with writing a CV.

things Eric can help you with
